“ Virginia and family..... I am so sorry to hear of your loss. I remember (many years ago when we worked on 2 North and then 5 South) how you would speak of your kids and how special they were to you. I always admired your devotion to your family. God bless each of you, but especially mom as I know it is difficult to lose a child. Prayers, good thoughts and hugs coming your way.

Virginia and family - heartfelt sympathy to you. Even though it has been many years since we were neighbors on the farm I have such fond memories of the Walker family. Blessings!
