“ Kevin Lefty Lewis was a classmate of mine at the Storm King School in Cornwall, NY. We graduated High School on June 4, 1977. I remember Kevin, "Lefty" as a fast runner on the Cross County Team. He had a quick wit and had a wealth of jokes that would make many people laugh. He had a real talent at the Pinball machines in the lower commons after study hall.

I remember Kevin as a prominent and responsible representative in the school's dining room. Kevin, "Lefty" always had a smile on his face.

Although I have not seen Kevin for 40 years, he will be missed by many from The Storm King School family. My thoughts are with his family at this time.

“ Kevin was known to all of us as "Lefty". He was part of our family at Storm King School (our high school) in Cornwall-on-Hudson, NY. Storm King School was (still is) a small boarding school where Lefty was one of the most well-liked students among the other kids as well as the faculty. He was an outstanding athlete in any game he choose to play. He was friendly, funny, and unforgettable.

I want to wish his family and friends peace in these difficult times and my sincere condolences on behalf of myself and the Storm King School family.

Sincerely,

*Dana Crevling

Kevin was my bro in law for a while. We hit it off from day one and we would always be snappin on each other. He told me his nickname was "Lefty", but I called him "Shorty" Lewis just to piss him off! lol We would play a lot of basketball and that dude had a killer 3 point stroke! Good Times. God bless your family Kev!
