“ Kypp was one of my best friends growing up. As adults, we could go months without speaking, but when we had a chance to catch up, it was like we were never apart. He was a relentless supporter of everything I tried. I'll miss him in ways I can't even describe. Godspeed, my Kyppie Dippie.

Kypp lit up a room when he entered. He brought laughter and levity to everyone he came in contact with. He is missed

Kypp is one of a kind. Kypp's gleeful and humorous expressions, like his half-sung "GrrrAaaavy" echoed through my life bringing a smile every so often. We had a long and frank Messenger conversation about his art (which I can no longer savor because FB deleted his side of the conversation). I loved how warm, intelligent, and raw he is. He was never forgotten and never shall be forgotten. Rest weary soul and I hope we meet again. Love & Hugs
