I did not know Landen, but it is obvious from this video that he was a happy, vivacious, compassionate, and FUN-loving little boy! I think he packed more joy and enthusiasm into his 8 short years than many do in 80 years! I am so very sorry for your tremendous loss and heartbreak. Jeanette (I am a friend of Jennifer B's)

“ *I remember when Landen and I were sitting in Greyson's birthday blow-up, and we were talking about how we wanted to get away from everything together. We also talked about his two baby cousins that died very young, We kept talking for a while but during our conversation, 2 yellow butterflies came and flew around him. God gave him a gift, but not one that would really help anyone. Butterflies love him.*

“ *I love you so much Landen! My heart is so broken. I miss not having you here to help me bake, tell me things about minecraft or play me a song. I want to hear your voice and give you a hug. Each day is hard to get through. I don't understand why but I do know you are loved and missed so dearly. Rest in peace my grandson. You will FOREVER be in my heart!*
