“ *Larry was great friend, we went on many gambling trips together, Las Vegas , tunica , and some in Oklahoma before ill health over come Larry , we would still laugh about the funny things that Betty , Larry & I shared , we planned our outfits, had matching ones, also matching carry on bags. On trip to Las Vegas , Betty made list of all the free things to see & do, and I think we completed her list . Our last trip to Las Vegas Vicki&Denny went with us, and they even added to our fun time. I have many awesome memories , rest in peace Larry .*

“ Betty - we share in your sorrow of losing Larry. We were just shocked to see it in the paper this morning. He was a very special person and we cared for him a great deal, as a patient and a friend. We will personally miss him. We pray for your comfort and may it help to know others are loving and caring about you. Our love to you, Dr. Mike and Jane Martin
