“ *I have known him since I was 12 years old or younger (50 years!). He had a quick wit and very dry sense of humor. I thought he was hilarious, smart and kind. I felt an affinity to him since he was very allergic as a child and so was I. My mother was his nurse when he was little so we knew him before he married my cousin. Mom always told me that he was a true genius and as I knew him over the years I realized it was true. He will be missed terribly.*

“ *O God of grace and glory, we remember before you this day our brother Larry. We thank you for giving him to us, his family and friends, to know and to love as a companion on our earthly pilgrimage. In your boundless compassion, console us who mourn. Give us faith to see in death the gate of eternal life, so that in quiet confidence we may continue our course on earth, until, by your call, we are reunited with those who have gone before; through Jesus Christ our Lord. Amen. Marcia, I am so sorry to hear of Larry's passing. I knew through Horace that he was fighting the good fight and I saw Shelley's post that he had gone into a coma. He has been in my prayers. We know that Larry is pain free now and please know that you, your sons and family are in our thoughts and prayers for strength and peace.*

“ *My Uncle and my dad (Jim) were quite the team when it came to giving me advice.....they taught me to laugh instead of cry, be strong instead of weak, and to take pride in myself.....when one was busy, the other was always there to guide me.....I will miss my Uncle greatly but always cherish my memories and be grateful for making me who I am today....*
