“ *To Diane & Family: Just sending our love to all of you in your time of loss. Words are hard to come by at a time like this as I know your mom meant the world to you and you will miss her greatly. I haven't seen your mom in recent years, but her smile on this page brings back memories of all the good times that I had spending the night at Diane's house. I always felt welcome and was happy to have know her. Our prayers will be with you in the days ahead.*

*Love,*
