“ *I loved my Aunt and God Mother Leadell. She was the sweetest person in the whole World! I loved how my dad would tease her and make her laugh. My fondest memory was her driving me to church when I was a little girl. I don't know what kind of car she had but it felt HUGE to me. I told I could standup in it and could practically live in that backseat. She got so tickled she was crying. She called me every year on birthday until she couldn't. She was an angel and I know God has a special place for her in heaven. Much love to Dale and Julie!*

“ *Leadell was the sweetest, nicest, and most caring person. She was my niece, Keri Anne's favorite baby-sitter, and Keri never wanted to leave her house! Everyone loved her and LeRoy and their family. She will be missed along with her hugs and kisses every Sunday at church. Heaven just got a beautiful new angel. --Wendy Q*
