

Leanna Kaye Headlee

September 6, 1948 - March 19, 2024

Leanna Kaye Grabow Headlee Schulz passed from this world March 19, 2024, 15 days after a massive stroke.

Leanna was born in 1948 to Melvin and Mary Ann Grabow. Leanna grew up in a loving home with 4 younger sisters: Paulette, Viola, Marsha and Marie. Leanna graduated from Mangum High School. She married Bill Headlee in 1966 during which time she graduated from Beauty College in Enid, OK. In their 30+ year marriage they had 2 children: Wade and Stormie. They made their home in Enid for a few years and then they moved their family overseas for Bill's career. Leanna used her beauty degree and managed a beauty business while living in Saudia Arabia for 13 years. Every summer Leanna would travel with Wade and Stormie to stay with her parents so that her children grew up knowing their grandparents, aunts, uncles and cousins.

In 1985 the Headlee Family moved back to Oklahoma. In the years that followed Leanna opened a business, she worked as a beauty operator and a pharmacy clerk but she found her calling as a home health provider. In 1991 she started her own business, LK'S Home Health Care from which she eventually retired.

Leanna became a grandmother 2x in 2000 to Jacobi Headlee and Sam Keith and again in 2002 to Heather Keith. Through the years she gained bonus

grandkids - Tyler & Peyton Stevenson & Tabor & Dalton Johns. Being Nana was a role she cherished. She always enjoyed playing with her grandchildren, nieces and nephews. She really loved to cook for them and to be available for them anytime.

In 2013 Leanna & Charles Schulz committed themselves to each other. They combined their lives & bought a house in Fairmont, OK. Together they enjoyed family - first and foremost. Card games and dominoes were always an option when meeting up with Leanna. One of her favorite things was to have house guests that she could fuss over - her children, her grandchildren, her sisters and their loved ones, other family members, friends and strangers - it did not matter. She loved taking care of everyone.

Leanna loved teasing and laughing with Charlie. Together they enjoyed meeting her sisters and their husbands for a few days camping anytime that they could. These last few years "sister trips" were frequently on the calendar. She was honored to have had those times together.

Leanna will leave a huge hole in our family and in our hearts. Her house will be too quiet. Our phones won't ring as often. Her laughter won't be heard. Leanna will live on in our hearts and in our memories. To anyone who knew her - she loved you with her whole heart. To her sisters - she would have chosen you to walk by her side and be her longest friendships again and again. To Bill - she would thank you for the life she enjoyed and for her beloved children that you raised together. To her children and grandchildren - Nana woke up everyday thinking of you and loved every minute that she spent with you whether in person or on the phone.

Finally, to Charlie - her love. She would thank you for the life and comfort that you provided this last decade. She loved your orneriness, your humor, your support and she loved that you loved her.

No matter if you knew her as Leanna, Sister, Wife, Mom, Nana, Aunt or Friend, you were loved whole heartedly by her.

Glory to the reunion in Heaven with her grandparents, her parents, Melvin and Mary Ann Grabow, her sister Marsha & many other family members that have gone before her.

For the husband, sisters, children, grandchildren, family and friends that survive Leanna we will see her again and that will be a glorious reunion.

In lieu of flowers or gifts Leanna would have loved a shared memory on the tribute wall.

Leanna's final resting place will be in Eagle City Cemetery, Eagle City, Oklahoma.

No date has been set for memorial service. It will be planned at a later date for this summer. Cremation arrangements by Anderson-Burriss Funeral Home and Crematory.

“ Aunt Leanna, blessed this world with laughter and happiness for sure, but I think her greatest asset that she shared with everyone was kindness and love and how well she made sure that everyone knew how special each individual was worth. Love you Aunt Leanna and will add you to my list of names that I say hello too, when I pray for my loved ones in heaven. Please continue to watch over my cousins that you blessed me with. In Jesus name amen.

“ *My son, Lance, call me this morning to tell me about seeing Leanna’s obituary posted on Facebook. Leanna and I shared an endearing friendship that began in 1967 when my husband and I moved next door to her and Bill. We shared so many intimate memories. The last time I saw Leanna was when she visited me in Hawaii. Sending my love to her children and sisters.*

“ Though Tyler, Peyton, and I weren't related by blood, Leanna welcomed us into her heart and home as if we were her own. Her unconditional love and acceptance over the years will forever hold a special place in our hearts. We cherished the moments spent with her at the family reunions, where she proudly embraced us as part of her family.

We'll always treasure the times spent playing cards and listening to her captivating stories. Her homemade salsa and jellies were a true delight, a taste of her warmth and generosity. I take comfort in having so many wonderful memories of Leanna being a beloved nana to my boys. Her legacy of love and laughter will live on in our hearts forever. Rest in peace, sweet Leanna. You will be deeply missed but never forgotten.

“ My beautiful friend we had wonderful times of happiness and laughter in Saudi Arabia, her door was always open and coffee pot plugged in. After 50+ years she still had same smile and laughter. My heart is broken and I will miss you. Rest in peace, love you..

“ I miss a lot about nana the late night girl talks over liver and onions, the makeup and hair advice, just knowing she was just a ring away (if she knew where her phone was). But I can confidently say I will miss by most is all the rules she and her sisters made up when playing dominos or cards, enough were made up that I am not even sure if I am really playing the game correctly when I am teaching someone to play now. I love you nana 🍷👍

Deepest and Heartfelt Sympathies to Your Family💖 We first met when I was a child in Saudi Arabia. So many happy memories of Picnics, Movie Nights, Birthday Parties. Best sense of humor ever ... Both my mom Susan Klingsmith and my dad Earl (Sunnie) Klingsmith received some of the absolute best CHUCKLE gifts. They are still stories told to this day. You will be Truly Missed, but Never Forgotten.
