“ I worked for Leo when I was in high school cleaning carpet and helping him lay carpet. He was an honest, hardworking and patient man. I learned a lot from him about doing good work and pleasing his customers. Condolences to his family. He will be missed.

“ Three Marland area obits in the Ponca City News today. Leo, Bob Lewis and VaDonna Boyer.
As a teenager I worked for Tony Jueschke adding a room to the High School. Carl Arnold and I mixed mud as Tony laid the cement blocks. It was near the Southwest corner of the building. I knew the Jueschke family well, even being in the Marland Band and grade and high school with them. I again met Leo several years ago here in Ponca. A wonderful man and one who will be missed. I offer my condolences and ask that God will be with the family during this time of grief.

“ I met Leo years ago when I worked at the bank. In later years, I went out to his house to help him with his online banking. Leo was an amazing guy. I truly will miss my friend.
