“ I worked for fuzzy in the early 60's and remember him quite well. He was a good boss and taught me good work ethics. He wanted my shoes shined and a crisp uniform every day.

“ So many cherished memories of my Uncle Fuzzy! I will never forget the card tricks, coin tricks, and jokes that you entertained us with on our visits from the east coast. I am so grateful my boys had the chance to experience the same tricks and jokes at our reunions. You kept us all smiling, and our memories will remain strong. You will be missed. Much love.

“ Dear Uncle Fuzz; you leave us with so many wonderful memories and so many happy times spent with the family. They will be cherished forever. There will always be a warm place reserved in our hearts for you. Although it is with sadness and reluctance that we have to let you go; it is also a joyous special place in heaven that you now go. Like Bruce said, tell our loved ones they are missed and our prayers are always with them. All our Love, Jim, Joanne, Brenden and Ryan

“ Thinking of Fuzzy & Ronnie brings back so many wonderful childhood memories from the neighborhood. In the past couple months, the three Eldred kids swapped stories because each of us had made Ronnie's Cherry Coca Salad to take to parties. Bruce Harvey says it well in his guest book memory: Fuzzy could always bring a smile to your face. Our family loved ol' Fuzz.
