“ I worked with Linda in Central Records at NORCE for several years. She was such a beautiful, caring person. I enjoyed working with her. I remember the time she came to work and a skunk had gotten under her house and the smell was in her clothes. I enjoyed her fudge so much. She lived close to my grandparents in Hunter. She was a special person and she will be missed. I won't be able to make it to the funeral but please know that my thoughts and prayers are with the family.
