“ I worked with Lisa at DHS and she was one of the most caring and kind people I ever knew. She made a copy of pictures from my retirement party and gave to me. I would have not had any record of those memories if she had not done that. She was a great person and co-worker. She will be missed.

“ Lisa was there at DHS a short while before I started at Garfield County DHS in the Family Support Services unit...as I have told you many times during the last years, Mark...she was such an example of excellence and compassion...always a smile and positive outlook that was so contagious! I admired her professionally and also personally...her love for you and your marriage, her love of those less fortunate and her love for all humanity will stay in my memories forever! Thank you Lisa for touching my life and sharing your light with us all!

“ My heart hurts for you, Mark, and the rest of the family. I worked with Lisa many years at DHS and she was my supervisor for five years. She was always so kind and helpful, but also professional. I was diagnosed with breast cancer two months after Lisa received her diagnosis. Lisa always had a word of encouragement, would share her favorite Scripture verses, and provided tips to help with side effects. She fought so bravely. My comfort lies in knowing she was a child of God and we know where she is and we will see her again. Prayers for the whole family. Esther Fischer

“ Heaven gained a beautiful and precious soul with Lisa. I met her through work at DHS and she was always kind, respectful and professional. She touched many, many lives through DHS clients, co-workers, inside and outside agency contacts and will be immensely missed. Her smiling face was always a delight and in spite of everything, Lisa made me feel valued and welcomed. God bless Mark and her entire family on this giant loss. Lifting them up all in prayer. Miss and love you Lisa. Kim Arnold, AFS Region 2 Secretary, Comanche County DHS Office.
