“ My condolences to the Howard family, though I have been gone for many years from Enid, she always had time for us kids.

“ I was so sorry to hear that Lois passed away. I had just asked Sandy if she had heard anything about her health last month. We just learned of her death on Tuesday in a very unusual way. Lois was without a doubt one of the most influential and special people in my life as I was growing up (her and Aunt Goldie). Your family was always so much fun to be around; with her and Rob there was never a dull moment, We ave so many wonderful memories of her that we will never forget. Ethel and I are now in North Carolina living near Boone. Even though we have missed seeing her over the years we never missed the opportunity to visit when we were back in Enid. Knowing she is at home with her LOrd is a great comfort and blessing to us all.
