“ *Lonetta was one of the sweetest people I've ever met. I'll never forget the slumber party I went to at her home. A big bunch of giggling girls - all night long, I think! We had a ball, but I'm sure her mom was exhausted! We all had so much fun. Good memories of such a fun time with Lonetta. We didn't keep in contact after school, but I've often thought of her and how sweet she was. We will miss her sweet smile!* ”
