“ Jana I was so sorry to read about your mom passing. Your family has been friends to us for over 50 years. So many memories. I'm sorry I had to miss the service due to a previous commitment. She was a beautiful lady who was there for my family in times like this. It is always hard to lose a loved one and at some point you will realize, as I did, that you are the only one left in your family. That will hit you hard. My thoughts and prayers are with you. I wish you peace and hope you find comfort in all your memories.

“ When her husband Delbert was in the Commons, she visited regularly and since my mom was there as well, we became acquainted. She was so classy. Always kind and had stories to share. On occasions that all the residents and their families had a pot luck meal, Lora Lee was bring some of the best desserts. Everyone complimented on how wonderful of a cook she was. She reminded me of my aunt that had passed away and guess that's why I was attracted to her. She was very sweet. I'm glad our paths crossed.
