“ Deena & Family,
So very sorry for your loss. Louise was such a joy to be around. She would tell you what she thought even if you didn't ask! Lol. She was smart, quick witted and never missed a beat. She was a funny lady, always telling jokes and making everyone laugh. Let me just say that she also made the absolute best chocolate pie!! She made them one year at Thanksgiving and hid them from me so I couldn't eat them all up!! She was a hoot!! 😂 She brought joy into everyone's life and she will be missed terribly!! I will see her in heaven one day and I'll be ready to hear some of her jokes and eat some of her chocolate pie!! Rest in peace Louise, we love you!❤️

“ My Sincere condolences to the family. Louise took care of my sewing repairs until her eyesight gave out. But she was still so positive. A GEM of a friend and loving woman. It was such a delight to see her in church. I always walked behind her to the elevator. I would always tease her about dressing so nice, to attract a date between the sanctuary and the elevator. That would bring such a smile on her face..... Wonderful, precious lady.
