“ Our condolences to Lyndel's family. I am saddened to hear of his passing. Lyndel was such a happy person and always had a kind word to say to everyone. I remember him standing at the door after school was out and speaking to everyone as they left school to load on the buses. He would know everyone by their name and say hi Marilyn or their name. I was 2 years ahead of Lyndel in school and was amazed by his kindness to everyone. He will be missed and was a very sweet man. We are all blessed to have known Lyndel.
