I will always remember my aunt Maggie. She was a very special person to me. She was such a very loving person. I will always remember the fun times we all had at the family reunions at her farm home in Kingman. I shall always remember when she was always there to help me when her sister Evelyn (my mother) first became ill. She had helped me through all those saddened times, clear up to the passing of my mother. My aunt Maggie was a very giving and loving person. She will forever be in my thoughts and my prayers, and will always have a place in my heart. Sandy Dicus
