Marilyn was always fun to be around; she and Carl supported Enid Academy of Taekwondo when Craig Willeford was the Owner. Ceth and Holly were lots of fun. We enjoyed vacationing while attending TKD events with this fun group. Our thoughts and prayers go out to the entire family. Miss you Marilyn!

“ *I called Marilyn about 5 Years ago on her birthday and she said Connie I have a place on my lung as big as a pack of cigarettes. She fought with every bit of strength she had to spend more time with her family. She made me laugh and cry. She and I went on many gambling trips and had some good and bad luck. Every time I talked to her they had found more tumors and she never gave up the fight. Most memorable was our trips to Lake Tahoe. She marked it off my bucket list for me. We both thought it was one of the most beautiful places ever. The last time Terry and I came to visit a few months ago we laughed and talked about our trips. She ant Terry had went nearly around the world together and I watched their faces beam with memories of fun times. You are loved and will be missed my friend.*
