“ Dear Ruth and family,  
We were so very stunned and saddened to hear of Mark's passing. It was not all that long ago that Mark was out setting up his decoys at the lake, sharing the good news of spiritual growth and blessings within the family. Mark always had a big smile, and exhibited such patience while waiting for those decoys to draw in the geese :). Little did we know when we sat in line at St. Anne's all those years ago to get our eldest into kindergarten (you first, us second) that our lives would continue to cross paths for many years beyond St. Annes. We are blessed to have known you and Mark; such gentle souls. We will get a mass said for Mark. Continued prayers, Alan & Kimberly Gillan

“ Ruth,  
Heard the announcement of Mark's death at Mass at Spirit of Christ last night. Saying a special prayer that the Lord has swept Mark directly into his arms, and will comfort you and your family in this time of grief. Although it has been several years since I've seen Mark, I will always remember what a great guy he was.

“ Three weeks ago at St Joan of Arc, Deacon Joe spoke about a friend of his that recently received devastating cancer news. He went on to speak about his friendship and how much he admired his strong faith throughout his life. At the end of the homily he mentioned his friend by name, Mark Carvalho. I left mass feeling numb for days. I kept you all in my thoughts and prayers. We had lots of happy scouting memories and I so appreciate all that I learned from Mark. Thank you for being apart of my life. Rest in the love of Jesus!!

“ Mark,  
Our lives will be different without you in our presence. We know your body is now at peace and your spirit is with the Lord. You had a strong faith and gave that faith to your children in the way you lived your life.

You have a living testimony with your children and grandchildren.

We love you!

*Dear Ruth and family,  
We are so very sorry to hear of your family's loss. It's been many years since the kids were in grade school, but I still remember Mark's support of all they did at St. Anne's. You are in our prayers as you move ahead, holding his memory close.*
