“ Anytime I recall the C.A. rallies for our area, the first thing that always comes to mind is seeing Sister Snell at the organ, so often with Judy at the piano, while the congregation sang the songs of praise and worship, entering in with our whole hearts. So many blessings for so many people, through her years of service and devotion to God.

“ *Mary was a great friend to my mother, Verena Pearcy. They first met at the Eagle Grove Church when Mary was a teenager and Verena was about three years older. They have kept up with other every since and often wrote letters. She and her husband have been friends to many of the Pearcy family and would sometimes make a visit at the annual family reunions. They were always a blessing.*

“ Judy, I am so sorry for your loss--earth's vacancy is heaven's gain. I remember your mom so well; she was truly precious. Your mom and your dad were a big part of my brother's life (Rev. Bob Kirkendall). Wish I were there to give you a comforting hug, Judy. Love, Prayers & God's Blessings, Mary (Teske) Ranson Spence, Williamsburg, VA

“ I remember all the letters Aunt Evon sent to me and Aurora. Many had an inspirational story or joke. Some I put on our fridge. I especially liked the letters with pics of us at our last family gathering. One of her letters that had a picture of us in it made it into our famt scrapbook album! She wrote how she remembered when they came to the Enid Nazarene church to see Aurora in a district Bible quizzing meet. Then Aurora and her Bethany First Nazarene church quizzers sang several songs for our Christmas pageant, and we recorded them on cds for all the kids back home to practice weekly for their play. I'm so thankful Judy brought them over so I could visit, and share this time together!
