“ I had the opportunity to get to know Mavis as a LTC Ombudsman. We always shared great conversation. I enjoyed our times together. She was a kind, sweet lady. I will miss her.

“ Mavis Arlene Siewert was my sweet mother in law for 33 years. I will always remember the very first time I met her at their home. She greeted me with a her wonderful smile and a warm hug. And that continued through out the years. Wendell and Mavis were always there to support our family . They never missed Zach and Paige’s school programs , dance recitals or games. Her family dinners were always delicious . And she loved family visits from Jeff and Wendy . Also, they loved traveling to California in their RV to see them. And we all absolutely loved her Christmas cookies. What a treat to open the tin of cookies after Christmas dinner. And she always made sure that Brad had his own tin of spritz cookies. And hopefully we can continue the cookie tradition . In recent years she sat at my kitchen table patiently guiding Paige and me attempting to recreate her recipes . And we will carry on in her memory. Mavis loved to laugh and always ready to talk . She loved her church family and friends from all over the United States. She always practiced her faith and hoped for the best. Throughout the last three years she remained strong and always hoping for less pain from arthritis. Now she’s at peace with Wendell and Brad. Heaven has some very special angels and I know they are looking down on all of us with love.
