“ Missy was one of my best friends from junior high through college. We lived in the same neighborhood in Enid and shared so many wonderful times growing up! She was always beautiful, friendly to all, charming, and talented. She and I were in the Enid High School plays *Little Women* and *Jane Eyre* together, and we loved to perform. She was with me the night I met my husband in college, and she served at my wedding in 1978. Every wonderful memory I have of my growing up years in Enid involves Missy. I will miss her so much and loved her. She will always be remembered with such joy!. Sending my deepest sympathy to her family, and I am so sorry for your loss. She loved her family more than words can express, and was so very proud of her children. Comfort, strength and peace to you.

*In friendship and sympathy,
