I treasured Mike's friendship. We could always talk about anything. He has an heart of gold. I'll miss visiting with him. I know it won't be long until we all will be reunited in heaven. What a wonderful day that will be. Mike was my first friend I made after moving to Enid. Heather was our neighbor and she was only about 4. It's funny how things turn out. God has a purpose for all of us and a plan. I want to watch out for Heather. We share a common bond with our Mike's having health problems and being in the nursing home. I love Heather and her family. It's going to be a glorious day when we are all together and our of this crazy world. Much love to all of you.
