“ Condolences to Mickey’s family. I knew Mickey as an employee at the Sinclair Refinery. He was at the Alky Unit and I would visit him when I went to pick up samples. He was from Enid as I was before so we caught up with the Northwest Oklahoma times and history. He was as nice a person as you would ever meet. Loved his family deeply. Genuine, hard working, reliable and real pioneer stock. It was an honor to have known him.

“ Mickey and I and all our Aline School classmates started school together then combined with Cleo Springs to graduate in 1970. Our Senior trip with Freedom grads took us to Washington DC and New York City which for kids from rural Oklahoma was a real eye opener. Returning to Aline and Enid we realized how small the big city of Enid was. That was my last time to see Mickey and I'm sad for that because I always felt we were friends. I am sad to learn of his passing but he leaves a tremendous family and legacy of determination and values. I recall one of his sons spoke Spanish and he was very helpful at Monroe where my wife was the principal. My condolences and prayers are with you, his family, as you mourn but he is now safely in God's arms. Larry Kiner DDS.
