“ Libby, I didn't know Micki had passed until today. I just wanted to send you my love and tell you how sorry I am for your loss. I loved Micki so much! She was so funny and wise and the best listener. She was a great friend to me, always watching out for me and encouraging and advising me when I was going through hard times. I'll miss her dearly. ❤️

“ Words are just inadequate at times. Micki was one of those friends for me that I could not see in ages and just reconnect when we saw each other! Loved her quick wit and we had some great times when the boys were playing football and in Quarterback Club. I know she will be missed by so many. She was the rock for her kids and loved them with all her heart. Our thoughts and prayers and deepest sympathies go out to all of the family.
