“ My thoughts and prayers are with all of Trish's family. Can't stop the tears, as I think about the great times we had. She was a superb softball player and I still remember her unique laugh. I pray she is now able to "Dance with her Father again" May God comfort you and bless now and forever.

“ Trish encouraged me to be confident and karaoke my little heart out. When we first met we just clicked n have been best friends ever since for 10yrs. She was a great listener and always had a shoulder for me. I didn't always take it but she gave me good advice and knew how to calm me down. She was full of life and always ready to have a good time.
