“ I'm sorry I can't make the service. I have many fond memories of Aunt Pearl. Summer vacations together, weekend visits to each other's homes, that important introduction to pizza, and just looking at her collections. My thoughts and prayers to my cousins.

“ Unfortunately I won't be able to attend Aunt Pearl's service, but wanted to let you all know that you're in my thoughts and prayers. She lived a good, long life and there are many great memories for all of us growing up and through the years. Cherish those precious memories and time spent together...hugs from Kansas to everyone.

“ Our wonderful neighbor for many years on 19th Street. Mrs. Hicks helped me get my first job at Union Equity working in the kitchen/cafe, which turned into a full-time secretarial job thereafter. I will always be grateful to her for that! My sincere sympathies to her family. Hope Russell Saunders

“ Just a note to let you know that Aunt Pearl was the person that introduced my Mom, Dad, and sisters to Pizza! On one of the weekend visits we made to their house in Enid, she was making the Chef Boy Ardee box pizza mix. Me and my sisters said yuk! Until we tasted it then, we all laughed and she had to make more!! Those were the good times and memories shared. I will not be able to attend the service. Will keep all of you in my prayers. Love, Vicky Hicks
