“Peggy was always there for me no matter how she felt. Always sharing positive words. I worked with her for a lot of years. Even on a bad day she found something good about the day. She was an amazing person, loved her family so very much. I will miss her, and my thoughts and prayers are with her family.

“I met Peggy while working at the Methodist nursing home several years ago. I was very lucky to have moved next door to her 19 years ago. In that time we became very close friends. We sat and drank many a cup of coffee out in the warm evenings outside watching our kids grow, get married, and having children of thier own. She loved all of them very much and was very proud of how they become.

*Through all of our trials and tribulations she always had a smile on her face and a very kind word to say.*

*The Angels above are very gracious to have Miss Peggy standing there beside them as a "team".*
