“ Condolences to the Family, I will miss seeing his beautiful wife , kids and grandkids on his Facebook posts. We dated in High School before I moved to Texas. I always appreciated the gentleman he was riding around in the Plymouth , and his parents blue car(can't remember what the make was)on dates to Enid. We took one of my Best friends on a double date once and we all got stuck in the mud alittle ways from my grandmothers house in the wee early morning hours. I will miss him. May God greeted him with open arms. Love, Tammy

“ We took a feral kitten in to be spayed. We had not really been able to touch her yet. When we went to pick her up..Dr. Steinert came into the waiting room..holding her and saying.. "she is the sweetest kitten"... We were shocked! R.I.P. Dr Steinert.. You will be missed..

“ *He was my vet starting in 1984. He was the only one around that would even look at a ferret. One time my husband took our dog in for some emergency stitches, and he called me to tell me that when he pulled the first stitch in the dog's foot, my husband passed out, and hit the floor! He was an awesome man! RIP Dr. Steinert! You will be missed!*

I am so sorry for your loss. Wade had told me that Phil had rode along with him when he was with the GCSO. I trusted Dr. Steinert with my little Maltese, he was so good with her. He will be missed terribly. Prayers for peace and comfort.
