“ *Being around Phil you were guaranteed to end with a smile if not a sore gut from laughing. Even if you encountered him in the lowest of low moods. We will miss you every time we laugh. Fly low enough to keep an eye in us, but high enough to sore the Oklahoma winds. Love ❤️ you*

“ *My uncle Phil was the best man of all time he basically helped my mom raise me when I was in teens. I was taught many great things by him and tony they both taught me not to give up my dreams. And also taught me anything is possible.*

“ *Phil was always a blast to be around no matter what was going on. He went over and beyond to make sure his family and friends were happy and he let everyone know how much he loved them. My favorite memory of Phil will always be karaoke. Phil could get a quiet crowd loud and laughing within 10 seconds of singing It's Raining Men. We will always love Phil and keep him in our hearts.*

Love,
Darlene, Eric, and Faylyn

Phil was a great friend. I met him in 1995 and he took me to my Senior prom. He made it so special and went out of his way preparing a very memorable day for me. I'm sad we were only connected on FB the last few years. RIP Phil!
