“ Jesse, Ashley and Ariana,  
Rachel was such a precious and sweet person. I loved  
visiting with Rachel after she and Jesse taught their little  
Sunday School class. She was such a great influence and  
example to everyone she touched. No matter what age,  
from her little Sunday School students to her “Women Warriors” friends. We are  
praying for comfort for all of Rachel’s family. She will be greatly missed on the  
front row of the church and answering Pastor Dan as he preached. I know she  
was so happy when she took Jesus by the hand and Jesus lead her home!  
God Bless you,

“ *In our band parent days, the kids would link arms and sing the song, "We are a family" after performances. The Gonzalez family was a big part of the Enid High Band family, and our hearts go out to them during this very difficult time. You are in our thoughts and we ask that the peace of Christ be with you now.*

“ In my mind, I see Rachel singing praises to our Lord. I see her smiling eyes set in the face of her beautiful daughter. I hear her bubbling voice sharing family vacation joy. The last time I spoke to her, I asked her to do something for me. And of course she was eager to help. Everything she did was completed with diligence and care for detail. We spoke at length about her mom. She dropped by my house one evening to return borrowed Harry Potter cosplay costumes (they were for Jesse and Ariana), and we laughed about her knowing someone besides Jesse who actually OWNED such items. This gentle, loving, kind spirit has beat us all home. I can't wait to see you again, Rachel, and with all our hearts, Cliff and I will do all we can to comfort and love your family. Dance a heavenly jig for me, dear sister.

“ There are so many memories dear friend, I think both of our favorite memories were our late night suppers at applebees. We would always fellowship about our Lord and our children. We would always ask the person sitting us to put us somewhere by ourselves because we were always loud with laughter. I Love you so much and wish we could have spent more time together this year, but health issues were my biggest seperation from everyone. After leaving applebees, usually around 2 a.m. we would go and talk in my car in your driveway until our faces hurt from smiling so much. I will always have those memories. Thank you so much for your amazing friendship sister. Love you always, and I will see you again in heaven.
