“ Love you always Uncle Randy. I know you are sharing a dance with mama. One of my fav memories is watching a movie with you and you whipped up some burgers, we didn't have bread, but you slapped some mayo on and to this day i will still make burgers and have one with just mayo and it takes me back :) Also the time you dragged out mattress because it caught fire, you litterly saved us kids and knew mama would be so mad but def a memory of so many you always loved us and wanted the best.... always and forever in my heart Your God Niece, Ashley Desire Spinney
