“ *I guess in the obituary you forgot Phil Sings who shared his home and loved Rhonda and took care of her way before she was in Oklahoma. What a sad thing to omit. I know she would not be happy.*

“ Rhonda was one of the most genuinely kind caring open hearted, to any one she met kind of person I ever met. She also made you feel comfortable in your own skin and never had a bad thing to say about anyone. She had a heart of gold in my opinion. A down to earth truly loving person that will be truly missed. I loved to hear her laugh. Never will forget her trying to get Aidan out of the high chair. ❤️
