*Dear Jack, I am so sorry to hear of your (baby) brother's passing and I send my sincere condolences to the entire family. I never met Melissa, Minnie or Richard Jr. but had a very pleasant reunion several times with Richard at Vance AFB, in the 90's, when I was John Felt's (Supt. of Transportation) secretary and issued all of the Flight Line and Special Purpose Vehicle Licenses and he came in for renewals. Before that, I had not seen him since he was a baby and Bruce and I were first married. When we re-met he commented that he guessed I remembered him as "Tinky Tom" and we both had a good laugh. He was such a pleasant person and we reminisced about a lot of things each time he came in. I told him I had pictures of your mom and dad and other family pictures that I would give him and I am so sorry I didn't get that done. My son is coming for Thanksgiving and we plan to go through old pictures while he is here and I will send them then, if you will send me your address. Again, I am so sorry for your loss.*
