“ Dear Friend Richard Baker and Family, I think of you as a very special friend. Our friendship was brief and very special. We spent several hours together sitting side by side in the Heart Failure Clinic getting our special primacor Iv infusions together and also some time in the Sheds Restaurant with family and friends. I'll always treasure the stories we shared and the special times together. I'm so grateful for the wonderful attention you gave our nurses and others that you knew. Dear Baker Family: "May the warmth of God's love embrace you, May the compassion of those who care surround you, and May the joy you once shared brighten your days with the assurance that LOVE LIVES FOREVER."
