“ To Family of Dick Bland,

*I have known Dick all of my life as I grew up on 2005 W. Randolph, the property of Perry Davis family since 1931. In recent years we had breakfast or lunch many times at the Willow Cafe sharing hunting and fishing stories, our lives, and mutual friends. He gave me a hat from the 381st Bomb group and I gave him different books. We both subscribed to Fur Fish & Game. I was captivated by his account of bailing out of his B-17, capture and life as a POW. All of this culminated into a man that was an honor to know and learn from as he was the best.*
