“ Dick was a good friend of mine and my brother Buck when we were attending Carrier High School. We rode the bus together and always had a great time laughing, joking and singing. We used to yell out the bus window "Hurry up Newkirk!!" because the bus always had to wait for him to get down his driveway to get on the bus. He was always very kind and was very friendly to me and my brother Buck. When we came to Enid, he was still the same Dick. He was a good man and I am sorry for your loss.

“ Oh Jamie! I'm so sorry for your loss. Even though it has been years since we've seen each other, I still remember Dick's laugh! I've been reminiscing about going to your house with Mike Prather when we were married and playing cards with you guys. Those were some fun times. Our kids were so young then. Please give Jason and Cory my condolences even though they won't remember me. You are such a sweet person Jamie and I know you will be lost without Dick. Love to you and your family.
