“ *Uncle Bob was one of the most caring, spirited, and wordly of people we have ever met. Always a highlight of our trips to Oklahoma, we will miss his energy and willingness to host us and spend time. Interested in many different things, he gave to our family with constant kindness and interminable fun. We will cherish memories of his jokes, his blessings before meals, and his willingness to adventure. In a time of our own grief, he taught Bryce how to clean a fish after Dad's passing, and he will walk with us always as we traverse the country in our RV--a handmade dream catcher he made for our family hangs in our van, protecting our journeys.*

Thinking of you all during difficult times.
