“ I met Bob at the bowling alley. He and I were on the same team for a few years. I cannot tell you how many times he told me to just relax and roll the ball. In between turns, he would tell me stories of his life. He was a sweet man and I’m glad to have known him.

“ I was in High School with Bob and we spent quit some time together around Grants and also going to dances around Grants, went to Gallup, Ramah, Los Lunas, Belen. The family of a classmate that is no longer with us, Brenda McBide had a ranch east of Grants on old Hwy 66. Several of us would go there late at night, have a bonfire and Bob and another would play their guitars and sing. I had some fond memories of Bob. After one of my trips to Sturgis I went to visit Bob and his wife and spent a day riding around with Bob in his big truck that he hauled gravel in. He also took me to his rifle range to shoot in an event.
