“ Ron was the best dad a daughter in-law could ask for. Even through his grief of losing Shirley and two sons he was instrumental in helping me through my grief when we lost (his son) my husband Allen. They say as we age comes wisdom from our mistakes, experiences, and losses in our lives and Ron certainly passed on some of that learned wisdom to me over the last few years when Allen was going through hospice and succumbed to cancer and passed. I am ever grateful he was there to help me regain my strength. I will miss his encouragement when I fell as much as the kicks in the ass to keep me moving every time he picked me up. I can hear him now telling me to keep moving or I'm going to get the boot. I will miss him.

“ I was the direction of Kinder Konnection when Ron applied to be our cook. I hired him and there wasn't a day that I was sorry I did. He cooked great meals and the kids loved him and he loved them. He was a very kind man to all of the staff. There was one day I was driving by his house and saw him on his porch. I had grandchildren with me that attended the Day Care. I pulled over to the curb and put the windows down. I told the girls to yell hi to him. They did and when he saw them he got a big smile on his face and waved back at us. Rest in peace, Ron.
