“ Sandi was my best friend, BFFE, my sister, my confidant, my encourager; we laughed together and cried together. Our friendship started over 60 years ago at Waller Jr High, and continued through life. She was the best friend I ever had; she was sweet, loving and kind. We had so many fun times together especially during the last 16 years traveling back and forth between our homes. We did all kinds of fun things together. My heart grieves deeply for her loss but I know I will see her again in heaven where we know Jesus has a special place for us next door to one another...that's why we are BFFE's, "Best Friends Forever Eternal." I thank God that Sandi was a special part of my life. I love you always, forever eternal Sandi!

“ I grew up in Enid and my mother was very good friends with Wanda. Sandi was friends with my older sister and Sandi was at our home frequently. She was always smiling and enjoyed sharing Jesus. She will be missed. Claudette Overfelt-Damron

“ Sandi and I were best buddies growing up together as children and teenagers. Our mothers were best friend as sisters. Even though Sandi and I lived in different states (Sandi in Oklahoma and I in Arkansas) we looked forward to our families' two weeks vacation together during the summer and at Christmastime. I always thought Sandi and all my cousins in Enid were so 'cool.' People we didn't know often asked if Sandi and I were twins. My time with Sandi will always be held close to my heart.
