“ Sharon and I were great friends in high school and she shared her apartment with me when I was attending beauty school in 1963. Our lives went in different directions for many years, but we would run into each other once in a while at the mall. She will always be remembered as a kind, caring friend. Linda (Curry) Shepard

“ I got to know Sharon when I started out at Vance as a custodian. That was in the late 70's. She was always nice to me and our friendship grew from there. I would see Sharon in at WalMart or KMart and we would always stop and get caught up on the latest. I will miss her and our talks we had. She was truly a special lady. My heart breaks that I will never get to see her again. Love, Kaye Hudgens

“ *When I was reading the paper this morning I found that I had lost a very dear friend. I worked with Sharon at Vance AFB for many years. We had taken a few day trips together, enjoyed shopping, the Tulsa Zoo and Precious Moments Chapel. After Sharon retired, we would meet for lunch, which I thoroughly enjoyed. Sharon was a great friend. I feel so blessed to have known her and will miss her greatly! Sharon and her family are in my thoughts and prayers. Joan Kelley*
