“ Thanks to each of you for the kind words about my sister. She was an amazing person. I miss her so much and my heart is empty without her/ She and I talked and laughed every day. I miss that so much. She loved and trusted Jesus for grace and guidance every day, especially after learning of her non-alcoholic cirrhosis of the liver. I am so grateful that she did not suffer but entered the arms of Jesus peacefully. I am without her here but will be united with her again in heaven. That can only come because of salvation through Jesus. I pray that if you do not know Sheena's Jesus that you will accept HIM. I love and miss you my beautiful sister Sheena. Vickie Evans

“ Sheena and I last spoke at our high school reunion of 40 years in July 2016. She & I spoke how our names were quite unique from the rest of the ladies in our class. We had lots of Sherri's, Kathy's, Tammy's just to name a few. And each one of them spelled a different way. There was only one Sheena and one Rosemary! We laughed about that! I'm so glad she was able to attend that reunion and we got to reconnect for a short time. She will be missed. She was a great lady!

Sheena was a true friend. We literally could talk 5 hours straight on the phone. She was loyal, encouraging, protective, honest, loving, extremely hardworking, and sacrificial. We enjoyed concerts, movies, and shopping. She could always lift my spirits, and had my back. She loved my family and was good to them. She was wonderful. I can only hope I was able to give to her as much as she did for me. Sheena, you are my friend forever! Love you 💕💕
