“ I have school and church memories of the Hofener kids and family in Tulsa growing up. It has been many years, but the memories are all good. Am sorry to hear of Sheryl's passing.

The Hilst family, like the Hofener's, have lost a parent, Homer (2011) and sibling Roger (2014). The blessed hope we have as Christians of being reunited with our loved ones in heaven is a great comfort at this time. Meanwhile, Doris, Les, Cynthia, Jeff and families all still live in Tulsa.

“ I helped care for Miss Sheryl while she lived at the Greer center here in Enid. I only had the privilege of working with her the last year. I only got the pleasure of meeting her father one time in the year I have been there. She just lit up when he walked through the door. She was so happy to be with him. Mr Hoffner, it was a pleasure to meet you and see the beautiful smile on her face when you came to visit and celebrate Christmas with her. My thoughts and prayers are with you and your family in this time.

Mr. Hofener we were always so excited to hear you were coming to visit. Her eyes lit up when she knew daddy was coming. Thinking of you and your family. Sincerely Brandi Hannon
