“ *My initial reaction was disbelief, but then came elation knowing she is free from the bonds of this alien land and with her Lord Whom she loved. What an example of Christ! She was a giving, kind and funny friend, servant and co-worker. That witt and the stories.....I need say no more! I'm thankful for the season you were in my life many years ago, Sondra. My thoughts and prayers have been with your family. You so loved them! Until I get there...Tanna*

Thanks Tanna. Mom loved talking to you and I know you girls had so much fun when she worked with you! It is still hard to believe but I'm so very thankful my mom isn't suffering and she's in heaven with her family.
