

Stanley N. Jenkins

December 28, 1931 - March 11, 2016

The funeral service for Stanley Jenkins, age 84, will be at 2:00 PM Monday, March 14, 2016, at Anderson-Burriss Funeral Home Chapel, with Rev. Ric Dominic and Rev. Robert Stewart officiating. Burial will follow in Paradise Cemetery, Breckinridge, with arrangements by Anderson-Burriss Funeral Home.

Stanley Newell Jenkins was born December 28, 1931, to Bill and Dora (Green) Jenkins. At an early age the family moved from a farm northeast of Garber to Enid, where he attended Adams, Harrison, Emerson, and graduated from Enid High School in 1949.

He married Wynona Langkiet in 1951, and four children were born to this union: Pamela, David, Jerome and Seth. Following military service in the USAF during the Korean Conflict, Stan returned to Enid, continuing his education at Phillips University, receiving a Bachelor of Science and Masters Degree in Education. He taught English and Bible History at Enid High from 1959 – 1967, and served as assistant principal from 1967 – 1972 while continuing coursework at Oklahoma State University.

In 1972, Stan accepted a position as Special Services Director for the Enid District, managing the transportation department and directing the media section. He then was asked to develop a public information office for the Enid

schools. In 1982 he was assigned to develop the personnel department, serving in that capacity until his retirement in 1997. He also was on many community boards, including several terms as chairman of the PEGASYS Board.

On February 14, 1986, Stan married Marilyn P. Rider, and they enjoyed many years together. His life career also included the church ministry, serving as pastor (or on staff) at churches in Ames and Enid, plus assisting area congregations on an interim basis. His love for Bible truths motivated him to study and share with others the blessings of Christianity.

Left behind to carry on his witness are his precious wife Marilyn, of the home; daughter Pamela Kay Jenkins of Enid; three sons, David and wife Linda of Enid, Jerome and wife Darla of Drummond, Seth and wife Lee Ann of Enid; step-daughter Melanie Christophel and husband Dan of Fairland; step-son Kevin and wife Laura of Pilot Point, Texas; eighteen grandchildren; fourteen great-grandchildren; brother Ervin of Santa Rosa, California; two sisters, Shirley and husband Jerry of Lenexa, Kansas, and Dorthy of Bethany; his church families and a host of friends, neighbors, and former students.

Stan was preceded in death by his parents, sister-in-law Eula Jenkins, brother-in-law Clay Lynch, daughter-in-law Jyl Jenkins, and niece Alicia Lynch.

Memorials may be made to Salvation Army, FEBC (Far East Broadcasting) a missionary organization preaching the gospel through radio to listeners around the world, Hospice Circle of Love, or Victory Bible Church Radio Ministry.

“ While pastoring at Christian Union in Enid, Stanley Jenkins baptized
me on Easter Sunday, 1963. I was a senior at Enid High and loved
the fact that my pastor was also a beloved high school teacher. That
later gave me the courage to be a Christian Club sponsor at the
high school where I taught English in California as secularism
permeated the faculty and staff.

“ Stan was probably the most important and consistent prophet in my life 2nd only to Jesus. I ALWAYS knew I could come to him with anything. I was so pleased and blessed that he could perform my wedding ceremony. I had told him I wanted him to do just that for over 20 years and I think part of him thought I was joking. He was so gracious to accept the position and with a wit that can't compare to anyone said if Lord doesn't call me 1st I'll be there. Marylynn, we love you! I know that he would be telling us he is in the best place now, but we know how much of a blessing we lost and it is no question that he is receiving praise for his devotion in heaven now. Stan you are one of a kind and we love you!

“ *I don't think I ever heard of anyone who didn't adore "Mr. Jenkins". I loved his Bible class in HS and it was a most popular class. When I visit I can still feel myself running across the little side street to the "Bible Building" for a great hour, no matter how stressful the rest of the day had been. What a wonderful person and God's new angel.*

“ We called him "Mr. Jenkins," as a high school sophomores. His Bible Classes were full; he brought the Scriptures to light for this teen. Through the reading of the passages in the New Testament during my time in his class, I felt a call to full-time Christian service. He was a delight to have as a teacher. And besides his after-school track coach responsibilities, Stanley sponsored the Bible Club that met before school once per week. His testimony and influence were amazing; I am thankful to God for his life and teaching gifts. I stopped about 10 years ago at his home while visiting Enid to express my appreciation for his participation and blessing in my life.

“ I was looking for a place for Bible study on Wednesday nights and another pastor, Melvin Duncan recommended Grace Bible Church where Stan Jenkins was pastor....and it was in God's providence the exact place and time where I needed to be. I felt like I was Timothy to him being Paul - that type of mentoring relationship, which I will always cherish and remember. My sympathy to Marilyn and the rest of the family for their loss - but Heaven counts it as gain. May the Lord wrap His arms around you as you feel His love and peace during this time.

“ I was fortunate enough to have Mr. Jenkins as my English teacher one year in Enid High School (I graduated in 1962). I remember him as a fine teacher and a gentleman. His wit and intelligence made us want to go to his class. He is among the elite who made a difference in young folks' lives.

“ I am saddened by the loss of Mr. Jenkins and his encouraging spirit. I graduated Enid High 1962 and was in his Bible class during that time. The students referred to him as "Mr. Jenkins" out of our respect for his character and admiration for his sincere smile and genuine concern for all students. His warm and friendly personality drew students to his classes. His consistent life of faith in God and loving attitude was the lesson learned in addition to the course outline. My sympathy to the family as I pray for God's peace.
