“ *Marcy, I was so saddened to hear that Susan had been called to a higher place. I have so many memories of living down the street from your family and all the years we played and went to school together. We lost touch for many years and that saddens me also. I pray for peace and comfort for you and your family. Much love and many prayers for you all.*

*Sincerely
Nancy (Powell) Thompson*

“ *Dearest Cherished and Treasured Susan, What wonderful memories you have given us and shared with us through the years. You have given us love, joy, peace, kindness, and have demonstrated a super wonderful Christian witness during our times together. You have given us encouragement, understanding, and great inspiration whenever we needed it, and you always knew when we needed it. Dearest Family: "May the warmth of God's love embrace you, May the compassion of those who care surround you, and May the joy you once shared brighten your days, with the assurance that LOVE LIVES FOREVER."*
