“ I knew Suzie as a neighbor and friend of her younger brother Bobby in the 1960's. Although I was a pest around their family home, she was always patient with and pleasant to me. That seemed to be her universal treatment of the world and it worked for her wonderfully. My sister and I remember her fondly. Our condolences to her family.

“ Sending our Love and Condolences to Wayne and family as we celebrate the vibrant life of Suzie, now complete in the love of God. She was a woman of strength in all she accomplished through the years that we knew her as Wife, Mother, Friend, and our next door neighbor when we moved to Enid. Always a smile, a warm welcome, and her little chuckle that made everyone realize just how special she was to so many. We will miss you Suzie....but we are all the better to have shared this life with you. May we all rest in God's Peace.
